

The Crown Scientific Genetics Prize

1. The prize, to be known as "The Crown Scientific Genetics Prize", shall be available for award annually.
2. The value of the prize shall be \$250.00.
3. The Prize shall be awarded to the candidate who obtains the highest result in the BSc(Honours) degree in the Department of Genetics and goes on to enrol as a candidate for the degree of Doctor of Philosophy in the Department of Genetics.
4. If in any year two or more students are of equal merit, the prize shall be shared.
5. If no prize is awarded in any year, an additional prize may be awarded in a subsequent year.
6. These rules may be varied from time to time by the Faculty of Science and after due consultation with the donor, but the title and the general purpose of the prize shall not be changed.
